ABOUT ME

As a final year students with a special interest in the technology field and digital payment, I am currently looking for a full time job in these fields to gain the knowledge, skills and experience. I have great passion in learning about Product & Technology and and desire to work in technology companies, especially in Ho Chi Minh. Despite of quite a "low-profile" CV, I hope to have job opportunities at one of the leading Fintech corporations in Vietnam.

OBJECTIVE

Short - term

Becoming a part of Product Development department in MoMo
Oriented to become a business analyst, data analyst or product owner in technology companies
Learning more skills like UI/UX design, making videos
Cultivate knowledge of Data Science, AI and Blockchain
